THE HALLMARK 1985

MISS HALL'S SCHOOL

PITTSFIELD, MASSACHUSETTS

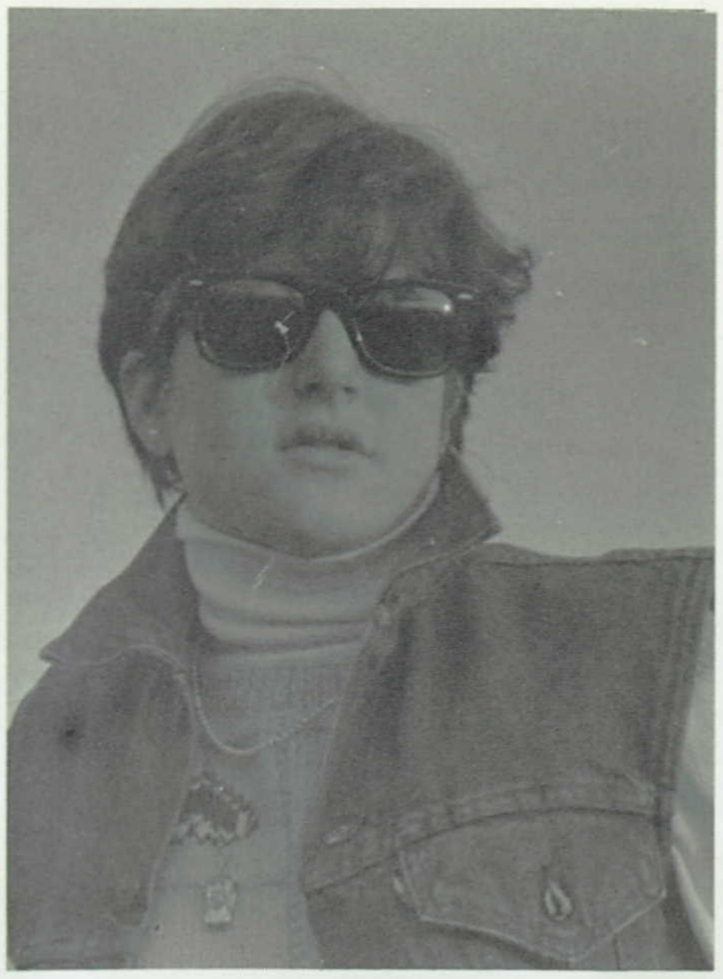

Coley . . . what has she done for all of us? For some she has been their teacher, others their advisor, a tour for some, and to all a friend and Dean of Students. Over the past seven years at Miss Hall's she has helped the school to grow in many ways. Those weekend permissions you had to have. The white sheets that had to be in by twelve noon on Thursdays. A prominent member of the Student Faculty Advisory Committee. Assistant Jokester of embarassing stories. The one who loves to make up the dinner seating. Her enthusiasm in beginning the Miss Hall's pageant and the one who keeps us in suspense on who the co-host of the show will be. She invented the ever so memorable proctors camping trip. One of the founders of the Grape Nuts, The gal who organizes the rooming switches. She makes the lovely sound of the fire alarms in the middle of the night. She is someone who understands and listens to our problems and then gives us the best advice she can. She has given seven years of herself to Miss Hall's. Miss Coleman we know you must move onward, but we all will never forget you, because you have given each of us a part of you. You will succeed in what ever you do, because you are a succeeder and always remember Miss Hall's because it will always remember you. A reliable source told me that "what she lacks in ESP, she makes up for in dedication."
